A Heart to Heart Talk With You About

Lace Curtains AND Mattings

Now lace curtains is an article that is priced by some dealers according to how much they can get for them and if you buy them on the installment plan it's five times their value—the first payment about pays the cost of the curtains. We have this to say:

In our window this week we are showing the prettiest assortment of curtains in the city. We know we bought them right, hence can sell them right. For instance: A 3 or 3 1-2 yard lace curtain, worth usually \$2.50 a pair. We sell them for \$1.25 pair; our profit is just 25c on the pair. We have them up to \$5.00.

A very few words about mattings: This week white China matting, 80 pounds to the roll 25c yard. Just 40 pieces arrived Friday and we are 10c to 5c yard below the regular price. Suppose you try us?

Remember our shoe stock when you buy shoes.

DANDRUFF WON'T WASH OUT.

The Germ That Causes It Has to Be Destroyed to Cure Dandruff.

Many a woman spends an hour twice a week scouring her scalp, thinking that by scrubbing off the scurf she will cure the dandruff. Two hours a week, at the age of 40 years, she has spent 260 days of 12 hours each, or two-thirds of a year of her life, in that vain hope; vain because you can't cure dandruff without killing the dandruff germ, and the only hair preparation on earth that will do that is Newbro's "Herpicide"—also a delightful hair dressing, and thorough antiseptic against all contagion from use of other's hair brushes.

Sold by leading druggists. Send 10 cents in stamps for sample to The Herpicide Co., Detroit, Mich.

One dollar bottles guaranteed. Bratton Drug Co., Special Agents.—Adv.

A SOCIALIST TO BISHOP

Victor L. Berger, Socialist Congressman-Elect, Makes Reply to Archbishop Glennon.

(Herald Special.)

St. Louis, Mo., Nov. 22.—Victor L. Berger, socialist congressman-elect from Milwaukee, in answering Archbishop Glennon, who on last Sunday intimated that socialism was the philosophy of the beer mug, said today:

"The archbishop contends that the Roman Catholic church will solve the labor problem; my answer to him is that the church has had eight hundred years to accomplish the task and has failed. In the last election the Roman Catholic church lined up with the retail liquor dealers and others in their fight on socialism."
